- 2.1 During negotiations, the Board and the bargaining representatives shall confer at reasonable times appropriately scheduled with regard to the budgetary calendar and exchange relevant data, points of view, proposals and counterproposals.

ARTICLE 3 NOTICES - MEETINGS

- 3.0 The Bargaining Unit may call meetings after school, and with the approval of the Superintendent or his designee, may meet in a school building according to the terms and procedures followed by other groups also permitted to hold meetings in a school building. There should be a bulletin board in each building for use by the Bargaining Unit.

ARTICLE 4
NO STRIKE PROVISION

- 4.0 During the life of this agreement, there shall be no strike, slowdown, suspension or stoppage of work in any part of the Board's operation by Employees nor shall there be any lockout by the Board in any part of the Board's operation.

ARTICLE 5
GRIEVANCE PROCEDURE

- 5.0 A. The number of days set forth in the processing of grievances shall be the maximum. All time limits may be extended by mutual agreement of the parties.
- B. If an Employee does not file a grievance in writing within twenty (20) days after he/she knew or should have known of the act or condition upon which the grievance is based, then the grievance shall be considered to have been waived.
- C. Failure to appeal a grievance to the next level within the specified time limits shall be deemed to be an acceptance of the decision rendered at that level.
- 5.1 If the Employee or the Bargaining Unit believes there has been a violation of this contract, the following procedure shall be observed in processing any grievance:
- A. The aggrieved Employee or Bargaining Unit shall, within twenty (20) days of the onset of the grievance, present in writing, a statement of the grievance to his/her immediate supervisor/principal stating the specific problem, the provision violated, and the action desired. - 6.0 In the event schools are closed due to inclement weather, all Employees, except ten-month Employees, are expected to report to work as soon as possible.
- 6.1 Whenever schools have to close early due to severe weather change, Employees may be allowed to leave one-half hour after their respective school closes with the permission of the school principal. Central office Employees may leave one-half hour after the last school has closed with the Superintendent's permission.
- 6.2 When inclement weather causes a delayed opening of school, all Employees are expected to report to work as soon as possible and work their regular number of scheduled hours.

ARTICLE 7 COMPENSATORY TIME

- 7.0 Compensatory time shall be granted on an hour for hour basis and must be used by the Employee within the time period provided by applicable law or regulation. If unusual circumstances arise which prevent the Employee from using said time within the appropriate period, the Employee shall be compensated for said time in accordance with applicable law or regulation. All compensatory time must be pre-approved by the Employee's immediate supervisor.

ARTICLE 8 PROBATIONARY PERIOD

- 8.0 Newly hired Employees shall be considered probationary and shall attain neither seniority nor other rights under this Agreement until the following probationary timelines have been met: sixty (60) days worked for evaluation

purposes and for all other rights under this Agreement excluding insurance benefits. All insurance benefits will begin the first day of the month following the successful completion of twenty (20) days worked.

The Superintendent may extend the probationary period for up to an additional twenty (20) days worked if deemed necessary. Said extension shall be issued in writing, with reasons for the probationary extension given to the Union and the applicable employee.

Such Employee may be discharged or disciplined at the will of the Board during these probationary periods, and no such discharge by the Board shall be subject to the grievance procedure of this Agreement or other controls by the Bargaining Unit on behalf of the Employee. Once the probationary period has been successfully completed, seniority shall be retroactive to the commencement of the employment. All present and new Employees will be covered by this Agreement.

ARTICLE 9 PAST PRACTICE

- 9.0 All benefits which Employees received from the Board in the past which are not specifically granted in this Agreement shall cease at the time this Agreement becomes effective.

ARTICLE 10 SAVINGS CLAUSE

- 10.0 In the event that any article, section or portion of this Agreement is declared illegal or void, then such special articles, section or portion specified to be illegal, shall be deleted from this Agreement. Unless substantially affected by any such deletion, all other articles, sections or portions shall remain effective.

ARTICLE 11 MANAGEMENT RIGHTS

- 11.0 Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Board shall have sole and unquestioned rights, responsibilities and prerogatives of management; provided, however, that the Board shall at all times adhere to the standards of good faith and reasonableness in all actions taken.
- 11.1 In the administration of all matters covered by this Agreement, Employees are governed by the provisions of any existing or future laws and regulations

including policies adopted by the Board and any other Board regulation which may be applicable. This Agreement shall at all times be applied subject to such laws, regulations and policies.

11.2 Among those rights specifically vested in the Board are:

- A. The right to hire, promote, transfer, assign, and retain Employees in positions within the school district, and to suspend, demote, discharge, or take other disciplinary action against Employees.
- B. To determine the methods, means and personnel by which school district operations are to be conducted.
- C. To take whatever action may be necessary to carry out its legal/statutory responsibilities.

These rights and duties of the Board are set forth as specific examples and in no way are intended to limit the overall discretion of the Board.

ARTICLE 12 LAYOFF/RECALL/RESIGNATION

12.0 In the event of a layoff, the Employee who has the least seniority, within a specific job classification, will be laid off first. Seniority shall be defined as an Employee's continuous full-time employment within the Ellington School System. The Superintendent shall notify the bargaining unit as soon as possible should a reduction in force become necessary.

12.1 A. If a position within any classification is eliminated, the Employee filling that position on the date the position is eliminated has the following options:

- 1. Fill any open position in the Employee's classification; or
- 2. Fill any open position in the bargaining unit for which the Employee is qualified. It is understood that this option relates only to then-open positions, and not positions open through bumping; or
- 3. Accept a one (1) year layoff with recall rights; or
- 4. Bump the least Senior Employee in that person's classification and fill that Employee's position if the Employee whose position is eliminated elects to not change his/her classification, or if there are no open positions either in or out of the Employee's

classification.

If a reduction in force is necessary, the Superintendent shall notify, in writing, the Employee whose position is eliminated and the co-presidents of the bargaining unit and shall include a listing of open positions within the bargaining unit which are available.

The Employee whose position is eliminated is responsible for informing the Superintendent of his/her decision regarding the four above listed options within two (2) weeks of the Superintendent's written notification.

B. If an Employee whose position has been eliminated:

1. Fills a position within his/her classification in accordance with the terms of this Article 12.1, the Employee shall remain at the same step within said classification;
2. Fills a position which is not within his/her classification in accordance with the terms of this Article 12.1, the Employee shall be placed at the step within his/her new classification which provides for a rate which is the closest to, but higher than, the then-current rate of the step within the classification in which the Employee was on the date he/she changed classifications.

12.2

A. An Employee who is laid off and who leaves his/her name and address with the Superintendent's Office shall have recall rights with respect to the position previously held for a period of one (1) year from the date of layoff. An Employee who declines a recall relinquishes any further recall rights. An Employee who, while on layoff, is offered a position within another classification can reject it without waiving rights to recall within his/her original classification.

- B.
1. An Employee who is recalled must respond to that recall notice within fifteen (15) days. The Employee shall return to a position within the classification he/she was in on the date of layoff, shall return at the same step he/she was in on the date of layoff, and shall receive the then-current rate for such step;
 2. An Employee who is recalled and returns to a position within a higher classification than he/she was in on the date of layoff, shall return at the step within the higher classification which provides for a rate which is the closest to, but higher than, the then-current rate of the step within the classification in which the Employee was in on the date of layoff;

3. An Employee who is recalled and returns to a position within a lower classification than he/she was in on the date of layoff, shall return at the step within the lower classification which provides for a rate which is the closest to, but higher than, the then-current rate of the step within the classification in which the Employee was in on the date of layoff;
 - C. An Employee who is recalled shall retain credit for all previous years of service for retirement purposes, and shall also retain credit for all other accrued time and benefits and rights existing on the date of layoff.
- 12.3 A. An Employee shall give two (2) weeks' notice of intent to resign employment in the school system.
- B. Failure to report to work for three consecutive days without appropriate approval or authorization shall be considered a resignation.
 - C. An Employee hired prior to July 1, 2011, who resigns and then returns within twelve (12) months of the effective date of his/her resignation shall retain credit for all previous years of service for retirement purposes and:
 1. If he/she returns to a position within the classification he/she was in on the effective date of resignation, he/she shall return at the same step he/she was in on said date, and shall receive the then-current rate for such step;
 2. If he/she returns to a position within a higher classification than he/she was in on the effective date of resignation, he/she shall return at the step within the higher classification which provides for a rate which is closest to, but higher than, the then-current rate of the step within the classification in which the Employee was in on the effective date of his/her resignation;
 3. If he/she returns to a position within a lower classification than he/she was in on the effective date of resignation, he/she shall return at the step within the lower classification which provides for a rate which is the closest to, but higher than, the then-current rate of the step within the classification in which the Employee was in on the effective date of his/her resignation; provided, however, that in no event shall the Employee receive more than the then-current rate of the highest step within said classification.

Employees hired after June 30, 2011 shall not be eligible for the provisions of this Section 12.3.C

ARTICLE 13
VACANCIES/PROMOTIONS

- 13.0 Application for appointment to such vacancies must be submitted in writing to the Superintendent of Schools. All vacancies within the Bargaining Unit shall be posted in all schools for a period of seven (7) working days. Any promotion of an Employee shall be based upon the Employee's qualifications, work history and seniority. Where the qualifications and work histories of applicants are equal, the applicant with the longest seniority shall be given preference. This clause shall not limit the right of the Board to fill positions with applicants from outside the system after qualified applicants from the system have been considered. An Employee promoted to a position within a higher classification shall start at said position in the step which provides for the rate which is closest to but higher than the then-current rate of the step and classification in which the Employee was on the effective date of his/her promotion.
- 13.1 After ten (10) days of working in a temporary reassignment, an Employee shall automatically receive an increase equal to the difference in base rates between his/her then-current rate and the then-current rate of the position being filled. This differential will remain in effect until the Employee is returned to his/her regular assignment.

ARTICLE 14
LEAVES WITHOUT PAY

- 14.0 Leaves of absence without pay may be granted by the Board. Unless unusual circumstances exist, it is contemplated that such periods shall not exceed one year. Application for such leaves must be made in writing stating the reason for the request and the length of time desired.
- 14.1 Upon the Employee's return from a leave of absence without pay, he/she shall return at the same step he/she was in on the effective date of the leave, and shall receive the then-current rate for such step. In addition, the Employee shall retain credit for all previous years of service for retirement purposes, and shall also retain credit for all other accrued time and benefits and rights existing on the effective date of the leave. With respect to benefits, the Employee shall have the option of maintaining his/her benefits during the leave of absence at no cost to the Board.

If these additional sick days are not used in the current year, they may not be accumulated.
- D. An Employee who begins after January 1 shall be entitled to one-half the above designated number of sick days for that balance of that contract year.

15.1 OTHER LEAVE

Requests for vacation time for more than four (4) consecutive working days must be submitted by the Employee in writing to the Superintendent or his/her designee at least one month prior to the start of the requested vacation time in order to be considered. When two (2) or more employees request coinciding vacations, preference shall be given based on seniority on a building by building basis.

When a bargaining unit employee moves from a ten (10) month position to a twelve (12) month position, vacation time shall be calculated as follows:

Each year of service as a ten (10) month employee shall be considered as seventy-nine percent (79%) of a year. For all other classifications, each year of service in a ten (10) month position shall be considered as seventy-three (73%) of a year. This shall apply to all current employees who have moved from a ten (10) month position to a twelve (12) month position.

Twelve-month employees shall accrue or be entitled to vacation day(s), allotted on a fiscal year basis, with pay at their regular rate of pay, according to the following schedule:
