

Dear Ellington Families,

Below you will find a suggested academic supply list for each grade level. If you need support, please reach out to your school's building principal or lead teacher. We assure you that your student will be provided with everything they need for an enriching educational experience no matter the circumstances.

Please Note: Due to storage and safety concerns, we ask that you do not send in supplies all at once. Teachers will let families know when supplies are needed at school.
