

Un-fundraiser Fundraiser

Crystal Lake School One-Time Donation

Instead of participating in fundraisers throughout the school year, making a one-time donation to Crystal Lake School's PTO might make more sense for you and your family.

Here are some examples of how your donation can directly help:

- \$25 pays for a yearbook for a student who can't afford one.
- \$50 pays for a brand new scooter for physical education students to enjoy.
- \$75 provides the library with approximately 10 new books.
- \$100 supports classroom field trips.
- \$ Other (no amount is too big or small).

I am making this donation in lieu of fundraising throughout the year. This one-time donation is super easy to do and 100% of the donation goes to helping Crystal Lake School children!
