Annual Asbestos Notification **2022 - 2023 SCHOOL YEAR**

Dear Parent, Guardian, and Staff:

The federal Asbestos Hazard Emergency Response Act (AHERA) regulations require that all parents, guardians, and staff are to be notified of the availability of the Ellington Public Schools Asbestos Management Plan on an annual basis.

The plan contains the extent, location, and condition of any area in the building which contains asbestos. Asbestos management plans are available for review at the front desk of each of our schools. In order to maintain asbestos-containing materials in a non hazardous condition, the materials are inspected twice a year.

If there are any questions about the plan or its contents, please feel free to contact me at 860-896-2313 or email me at gkliman@ellingtonschools.net.

Sincerely,

A handwritten signature in blue ink, appearing to read "G. Kliman".

Gregory Kliman
Director of Facilities
