

Connecticut families with children 0-5 years old can download Sparkler's mobile app for free to check in on their children's development, learn through play, and tap into a network of support from *211 Child Development* and *Help Me Grow*. Sparkler is available in English and Español (Spanish). It offers families tools to monitor children's social-emotional, cognitive, communication, and physical development, including the Ages & Stages Questionnaires®, as well as suggestions for play-based learning activities to support children's development.

The advertisement banner features a background image of a man and a young child walking away from the camera on a path during a sunset. In the center, a smartphone displays the Sparkler app interface, which includes the ASQ3 logo, a photo of a child, and the text "Let's see how much Leo has grown!" and "Get Started!". At the bottom of the banner, there are logos for the App Store, Google Play, the Connecticut Office of Early Childhood, and the 2-1-1 Child Development helpline.

**Download:** If you have an Android smartphone or tablet, download [Sparkler from the Google Play Store](https://play.google.com/store/apps/details?id=com.sparkler). If you use an iPhone or iPad, download [Sparkler from the Apple App Store](https://apps.apple.com/us/app/sparkler/id1444444444).

**Register:** Open the app and tap “Create a New Account.” Enter **1-6-0-0** as your provider key. Pick Family/Familia in the “Group” drop-down menu. Answer the questions to create an account for yourself and a profile for your child. You must enter your child’s birthday correctly because Sparkler assigns screenings and other content based on your child’s age. You’ll be asked for a “provider key” to link you with your school/provider. Please skip this step for now!
