

Educational Technology Subscriptions

ELLINGTON PUBLIC SCHOOLS

Scope of the Need

- Variety of resource needs across all grade levels
- Continuum of learning/skills that students develop throughout their education
- Transition away from textbooks to digital resources

How we got Here

- COVID - Companies offered free digital resources when everyone was home
- From FREE to \$\$\$
- Billing model changes

New Method of Resource Analyses

- Identify and characterize resources
- Determine price, usage, and benefits of our investment
- Ongoing gathering of information

Analysis Table

- Includes current digital resources, cost, number of users
- Shows programs that have high student usage

- ### Next Steps
- Tech Camp in February
 - Discussions with teachers

- Staff Surveys
