## Ellington, CT

November 11, 2020

A special meeting of the Ellington Board of Education was held on Wednesday, November 11, 2020, in the Library Media Center at Ellington High School, 37 Maple Street, Ellington, CT.

Present were: Mr. Blanchette; Ms. Dzen, Kupferschmid, Nord and Underwood; Dr. Scott Nicol, Superintendent of Schools.

I. Workshop: Continued Discussion on Re-Opening 2020-2021

Dr. Nicol opened the meeting with discussion on snow days. The district, for the 20-21 school year, will utilize the new state allowance of remote learning for inclement weather days only after three consecutive snow days have taken place. Once three snow days have taken place the remote learning inclement weather days will count towards the 180 day school year.

Board members then broke out into groups to learn and discuss each school's School Improvement Plan for the 2020-2021 school year. Small groups lead by administration and teachers from each school included activities and discussion regarding their School Improvement Plans.

Respectfully submitted,
